Campus Security Act Information Disclosure

Campus Security Act Information Disclosure - Under the Crime Awareness Campus Security Act of 1990 (Title II of Public Law 101-542), which amended the Higher Education Act of 1965 HEA. This act required all postsecondary institutions participating in HEA's Title IV student financial assistance programs to disclose campus crime statistics and security information. The act was amended in 1992, 1998 and 2000. The 1998 amendments renamed the law the Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act in memory of a student who was slain in her dorm room in 1986. It is generally referred to as the Clery Act. On Aug. 14, 2008, the Higher Education Opportunity Act or HEOA (Public Law 110-315) reauthorized and expanded the Higher Education Act of 1965, as amended. HEOA amended the Clery Act and created additional safety- and security-related requirements for institutions.

The Educators of Beauty College of Cosmetology is committed to providing safety to all of its students, faculty, and staff. If a crime happens to the student or the student's property or if there is an emergency occurring on campus, report the incident to an educator, administrator or owner immediately. That individual will assist the student or guest in reporting the crime to the local police or other appropriate security force.

The Educators of Beauty College of Cosmetology will provide students, faculty, and staff with an annual security report from the previous calendar year by October 1st of the following year. Statistics will be gathered from the local police and compiled in the annual report.

The report will show the number of incidents on campus, including The School parking lot and adjacent streets. At any time, statistics can be accessed from The School Financial Aid Office.

Although The School does not employ security officers, The Educators of Beauty College of Cosmetology has a working relationship with the local police who are able to support and provide services promptly in the event of an incident. We encourage accurate and prompt reporting of all crimes to the local police.

The facilities are open Monday from 8:00 AM through 9:30 PM Friday and Saturdays from 8:00 AM through 3:30 PM and according to assigned class/salon area schedules. The building may also be open for educational classes for licensed professionals or to groups securing the use of the facilities through the owner. Only educators and owners have keys to the building thus preventing internal crimes to as great an extent as possible.

We encourage students and employees to be responsible for their own security and the security of others.

The Educators of Beauty College of Cosmetology does not provide any programs on campus regarding security or prevention of crimes. If students wish to learn more about personal security or prevention of crimes, contact the local Police Department.

Sex Offenses

If you are a victim of a sexual assault at this institution, your first priority should be to get to a place of safety. The School strongly advocates that a victim of sexual assault report the incident in a timely manner. Time is a critical factor for evidence collection and preservation. An assault should be reported directly to a member of EDT. Filing a police report will not obligate the victim to prosecute, nor will it subject the victim to scrutiny or judgmental opinions from officers. Filing a police report will:

- Ensure that a victim of sexual assault receives the necessary medical treatment and tests, at no expense to the victim;
- Provide the opportunity for collection of evidence helpful in prosecution, which cannot be obtained later (ideally a victim of sexual assault should not wash, use the toilet, or change clothing prior to a medical/legal exam);
- Assure the victim has access to free confidential counseling from counselors specifically trained in the area of sexual assault crisis intervention.

Various counseling options are available throughout the county and can be found through the Police Department.

Per the Department of Education the accused and the victim will each be allowed to choose one person who has had no formal legal training to accompany them throughout the hearing. Both the victim and accused will be informed of the outcome of the hearing. A student found guilty of violating the School sexual misconduct policy could be criminally prosecuted in the state courts and may be suspended or expelled from the School for the first offense. Student victims have the option to change their academic and/or on-campus living situations after an alleged sexual assault, if such changes are reasonably available. Both the accused and the victim will be notified of the results of the hearing.

A complete list of Sex Offenders can be found at www.familywatchdog.us

Family Educational Rights and Privacy Act of 1974

The FERPA is a Federal law designed to protect the privacy of a student's education records. The law applies to all schools which receive funds under an applicable program from the U.S. Department of Education.

The FERPA gives certain rights to parents regarding their children's education records. These rights transfer to the student or former student who has reached the age of 18 or is attending any school beyond the high school level. Students and former students to whom the rights have transferred are called eligible students.

Consumer Disclosure Information 2018

Parents or eligible students have the right to request that a school correct records believed to be inaccurate or misleading. If the school refuses to change the records, the parent or eligible student then has the right to a formal hearing. After the hearing, if the school still refuses to make the corrections, the parent or eligible student has the right to place a statement in the records commenting on the contested information in the records.

Generally, the school must have written permission from the parent or eligible student before releasing any information from a student's record. However, the law allows schools to disclose records without consent, to the following parties:

- School employees who have a need-to-know.
- Other schools to which a student is transferring.
- Parents when a student over 18 is still dependent.
- Certain government officials in order to carry out lawful functions.
- Appropriate parties in connection with financial aid to a student.
- Organizations doing certain studies for the school.
- Accrediting organizations.
- Individuals who have obtained court orders or subpoenas.
- Persons who need to know in cases of health and safety emergencies.
- State and local authorities to whom disclosure is required by state laws adopted before November 19, 1974.

Schools may also disclose, without consent, "directory" type information such as student's name, address, telephone number, date and place of birth, honors and awards, and dates of attendance. However, the school must tell parents and students of the information that is designated as directory information and provide a reasonable amount of time to allow the parent or eligible student to request the school not to disclose that information about them. Schools must notify parents and eligible students of their rights under this law. The actual means of notification is left to each school. If you wish to see your records, you should contact the school for the procedure to follow. Any questions or concerns under this act should be directed to: Family Policy Compliance Office, Dept. of Ed., 400 Maryland Avenue, SW, Room 3017, Washington D.C. 20202-4605 or you may call (202) 401-2057.

Procedure for Maintaining and Safeguarding Student Records

- All student financial records are kept in a locked cabinet which is located in the financial aid office.
- The financial aid office is locked when unoccupied.
- The financial aid officer and the school owners are the only persons who have keys to the student files. No other employees have keys to the file cabinets.
- Student records are maintained on a computer software system called Genesis. This is a live, on line system with a daily back up. All data is stored in an off-site location.

Title IV Funding – General Information

The School educates students and/or parents in all options of financial aid available to those who qualify. We understand that all students'/family's needs are unique. We are committed to the student's educational success, a part of which includes securing the proper funding. The information from the FAFSA, provided by the student and/or parent, in conjunction with state and federal regulations determines eligibility for available programs. Many parents borrow money to help cover educational costs and living expenses for their daughter/son.

Types of Financial Aid Available

Federal Pell Grant (Need Based Aid)

Pell Grants provide a foundation of financial assistance that may be supplemental by other resources and doesn't have to be repaid after graduation. Pell Grants are determined after the financial status of a student is fully reviewed. Based on a student's financial circumstances, a specific amount of money is disbursed annually toward the student's education through the Pell Grant. How much you can expect to receive from a Pell Grant is solely based on your financial situation and other criteria.

William D. Ford Direct Stafford Loans (Need & Non-Need Based Aid)

Loans made through this program are referred to as Direct Loans, because eligible student and parents borrow directly from the US Department of Education. You must be enrolled at least a half-time student to be eligible for a loan. Direct Loans include the following:

Direct Stafford Loans

Educators College of Cosmetology Consumer Disclosure Information 2018

- Direct Subsidized Loans – you must have financial need to receive a subsidized loan. The US Department of Education will pay (subsidize) the interest that accrues on your Direct Subsidized Loan during certain periods.
- Direct Unsubsidized Loans – financial need is not a requirement to obtain an unsubsidized loan. You are responsible for paying the interest that accrues on your Direct Unsubsidized Loan.
- Direct PLUS Loans (Plus Loans) are loans parents can obtain to help pay the cost of education for their dependent undergraduate children.

The institution is not currently offering William D. Ford Direct Stafford Loans.

G.I. Bill

If you have spent time in the military, you are eligible to use your G.I. Bill toward your education. The G.I. Bill was specifically designed for college or vocational education. Certified by State Approving Agency for Veterans' Educational Benefits. *These approvals are state and school specific and may not apply to all schools. To apply go to www.gibill.va.gov. Bring certificate of eligibility to the FAO office to begin enrollment certification with VA.

Consumer Loans

The institution is not currently offering Consumer Loans.

State Grants

The institution is not currently participating in State grants.

Eligibility of Title IV Aid

To be eligible for Title IV Aid, the student must:

- have a high school diploma, GED or equivalent
- complete the FAFSA for each financial aid year the student is eligible for aid
- comply with The School Satisfactory Academic Progress Policy
- not be in default on previous student loans
- not owe repayment on an adjusted Pell Grant
- not exceed the annual and aggregate loan limits
- have remaining eligibility if the student is a transfer student
- be enrolled in an eligible program
- be enrolled at least half time
- have ISIR Social Security mat successful or comment code indicates successful INS match
- if male, ages 18-25 have registered with the Selective Service
- be a citizen or eligible non-citizen
- have resolved any drug convictions

Steps To Apply for Title IV Aid

1. The student must complete the FAFSA for each financial aid year in which the student is eligible to receive aid. The Department of Education (DOE) prefers students complete a web FAFSA at www.fafsa.ed.gov. To complete a web FAFSA, the student will need an electronic pin number. This can be obtained at www.pin.ed.gov. This pin is unique to each FAFSA applicant and cannot be shared with anyone else as it acts as the student's signature required to submit a FAFSA. A parent of a dependent student must also apply for a pin. The parent is required to sign the web FAFSA with their uniquely created pin.
2. Once a pin number has successfully been created, a web FAFSA can now be completed. Be sure to follow all instructions when completing the FAFSA. Enter ***The Institution's School Code for Educators of Beauty College of Cosmetology, Sterling 008259; Peru 009475; Rockford E00784*** This will allow disclosure of information from the FAFSA to the school chosen by entering the school code. In the case of a dependent student, both the student and one parent will need to complete and sign the FAFSA application in order to be eligible for a Pell Grant. Dependency status is determined by the information that is filled out on the student's FAFSA.
3. If the parents of a dependent student refuse to provide information on the FAFSA; the student will not be eligible for Pell Grants and will only be eligible for unsubsidized funding.
4. Once the FAFSA is complete, the student will receive a SAR (Student Aid Report). The School will be sent an ISIR (Institutional Student Information Record) for all students who list their school code. All verification and/or corrections must be completed prior to qualifying for aid.
5. If a student's FAFSA is selected for verification, the student will receive The School's verification policy and a verification worksheet. The student is required to return the verification worksheet completed, as well as provide any other

Educators College of Cosmetology

Consumer Disclosure Information 2018

requested documents. If parent information is entered in the FAFSA, or the student is a dependent, parents may need to provide additional requested documents. If selected, this verification process must be completed before a student can receive federal aid. The verification process could result in a corrected ISIR and new Expected Family Contribution (EFC) number which could affect the student's unmet need and eligible need based aid, Stafford Subsidized Loans and Pell Grants.

6. The Primary EFC provided on the student's ISIR will be used to calculate need and unmet need analysis through the Cost of Attendance Worksheet. This Primary EFC number corresponds with the number of months in each academic year. The Cost of Attendance Budget for each academic year includes the student's tuition costs per academic year. These costs include tuition, applicable fees, kit and books (per the academic year in which the cost is incurred), room and board, personal expenses and transportation costs.
7. The School utilizes the information presented on the student's ISIR and the NSLDS (National Student Loan Data System) to determine the student's eligibility and to calculate the student's unmet need for the student's grade level. This is done in compliance with the Cost of Attendance Budget grade level limits based on hours in the academic year.
8. Students who desire low interest Stafford Federal Student Loans must complete a Master Promissory Note or Electronic Master Promissory Note (E-MPN) at www.studentloans.gov
9. Parents desiring to take out a low interest Federal Parent Plus Loan on behalf of their dependent daughter or son must complete a Consent to Credit Check document that is made available by the Financial Aid Office. This form must be returned completed along with a readable copy of the parents Drivers License or State ID.
10. Students must complete the Entrance Loan Counseling prior to the student receiving a disbursement of any Federal loans. For Direct Loans, students may access Entrance Loan Counseling at www.studentloans.gov
11. Students will need to accept or decline eligible aid by completing the Students Financial Aid Award Notice with the Financial Aid Administrator.
12. Accepted aid will be listed on the student's award letter.
13. Students are required to notify The School's Financial Aid Officer if they receive any additional financial assistance before or after an award letter has been issued. Scholarships or other types of financial aid could be reported throughout the year. If additional awarded aid causes the student to exceed the cost of attendance, it may be necessary to reduce the amount of previously awarded aid.
14. Students will complete said process for the 1st academic year (1-900 hours) and 2nd academic year (901-1500 hours).

Special Circumstances – Dependency Override & Professional Judgement

Dependency Override – Students who do not meet the Federal definition of an independent, but have unusual circumstances, may appeal their dependency status to The School's Financial Aid Office. Dependency Status overrides are done on a case by case basis and a determination from one Financial Aid Administrator at one institution is not binding at another institution. Successful appeals may result in an increase in the student's eligibility for aid. The Application and Verification Guide (AVG) has identified four conditions that individually or in combination with one another, **do not qualify as "unusual circumstances" or that do not merit a dependency override**. These circumstances are as follows:

1. Parents refusing to contribute to the student's education
2. Parents unwilling to provide information on the application or for verification
3. Parents are not claiming the students as a dependent for income tax purposes
4. Student demonstrates total self-sufficiency.

Students with special circumstances should contact The School's Financial Aid Office. Those students whose appeals are determined eligible will be required to submit three letters detailing the student's situation. The first letter must be from the student detailing their situation and the other two letters must be from outside sources familiar with the student's situation (i.e.: Clergy, family friend, counsellor, etc.)

Professional Judgement – Circumstances beyond the student's control (and/or family) that affect the student's (and/or family) income during the current academic year could result in a reduced estimated family contribution (EFC). Students with special circumstances should always complete a FAFSA and then contact the Financial Aid office. If a student wishes to appeal the EFC based on special circumstances and is determined eligible to do so, the student should complete a Professional Judgement form and may be requested to supply supporting documentation of said circumstances.

Verification

Students selected by CPS (Central Processing System) for the process of verification are frequently required to submit additional information and/or parents' financial & household information to the finance office. The verification procedures will be conducted as follows:

1. When selected by CPS for the process of verification, the student must submit all required documentation to the finance office within 14 days from the date the student is notified that the additional documentation is needed for this process.

Educators College of Cosmetology

Consumer Disclosure Information 2018

2. If the student does not provide all of the required documentation within the 14 day time frame, the student will be required to make other payment arrangements until the documentation is received and the student's eligibility for federal student aid has been established.
3. The finance office reserves the right to make exceptions to the policy stated above on a case by case basis for extenuating circumstances.
4. The finance office will notify the student of any changes to their financial aid award resulting from corrections made due to the verification process. An adjustment will be made to the student's financial aid award as required by federal regulations and an addendum to the existing award letter or a new award letter will be issued.

Deferment

Students who are enrolled at least half time can apply for deferment of previous student loans while in attendance at The School. Please log on to www.nslids.ed.gov to find your current loan servicer and to find out more details on "in-school deferment".

Cost of Attendance Budgets (COA)

In order to determine a student's level of loan funding, the Department of Education requires us to develop annual cost of attendance budgets. These budgets include an average allowance for room & board, transportation, miscellaneous, loan fees and, if applicable, child care and expenses related to disability. The following are standard monthly allowances that make up the cost of attendance budgets.

How funds will be disbursed:

In order to receive their Pell Grant students are required to have a Satisfactory Academic Progress (SAP) cumulative average of 75% in attendance and 80% academics. This figure for academics is arrived at by averaging grades from the following areas: classroom work, projects, and styling area performance, as well as a 75% or higher attendance requirement. The School uses a 100-point grading scale:

90 – 100	A
80 – 89	B
Below 80	Failing

The hourly disbursement schedule for the cosmetology student is as follows:

1. First disbursement is scheduled for the first day of classes for Pell and thirty days after class begins for direct loans.
2. Second disbursement after successful completion of 450 clock hours.
3. Third disbursement after successful completion of 900 clock hours.
4. Fourth disbursement after successful completion of 1350 clock hours.

The hourly disbursement schedule for the teacher training student is as follows:

1. First disbursement is scheduled for the first day of classes for Pell and thirty days after class begins for direct loans.
2. Second disbursement after successful completion of 450 clock hours.
3. Third disbursement after successful completion of 900 clock hours.

At the time of disbursement, the student will sign a line receipt acknowledging the disbursement and the status of their account.

Disbursement of Credit Balance Refund Summary

If the student has financial aid that exceeds his or her tuition and fee charges for the academic year in which the disbursement occurred, the student will have a credit balance. All credit balance refunds will be issued by check within 14 calendar days of the date of disbursement.

A credit balance refund will be given to the parent if:

The amount of the PLUS loan is greater than the student's tuition and fees charges for the academic year in which the disbursement occurred. All credit balance refunds will be issued by check within 14 calendar days of the date of disbursement.

Effects of Student Loans

- If the student receives other forms of financial assistance such as scholarships it may reduce the student or the student's parent eligibility for Federal Aid.
- Loans must be repaid, even if the student does not finish their education. Loan repayment begins 6 months from the date of graduation or withdrawal.
- If a student does not return from a maximum 6 month Leave of Absence, the student's loans immediately enter repayment.

Educators College of Cosmetology Consumer Disclosure Information 2018

- Failure to repay a student loan will leave a negative mark on the borrower's credit.
- Over borrowing of student loans may cause a borrower to pay more than their earning potential can handle, especially during the early years of repayment.

Loan Disclosures

- Student loan information published by the US Department of Education (The Guide to Federal Student Aid) is available in the Financial Aid Office.
- NSLDS (National Student Load Data System) – student loans will be submitted to the NSLDS and will be accessible by guaranty agencies, lenders and schools determined to be authorized users of the data system.

- You will receive a grace period before your repayment period begins on a Stafford or Perkins Loan.
- Your grace period will be six or nine months depending on the type of loan.
- PLUS Loans do not have a grace period. For more information, see "[When do parents and graduate and professional degree students begin repaying a PLUS Loan?](#)"
- If you are in active military duty for more than 30 days, the grace period will be delayed.

Your school, lender or the Direct Loan Servicing Center, as appropriate, must give you a loan repayment schedule that states:

If you or your parents borrow under the FFEL Program, you (or your parents, or graduate and professional degree students for PLUS Loans) must be notified when the loan is sold if the sale results in making payments to a new lender or agency. Both the old and new lender must provide this notification. You must be given:

- the identity of the new lender or agency holding the loan; and
- the address where you or your parents must send payments and the telephone numbers of both the old and new lender or agency.

Student (Borrower) Responsibilities

1. Borrower – it is the responsibility of the student to:
 - Think about how much you are borrowing: how the amount of loan will affect your future finances, and what your repayment obligation means before you take out a student loan.
 - Students will need to accept or decline eligible aid. Accepted aid will be listed on the student's award letter.
 - Sign a promissory note: you are agreeing to repay the loan according to the terms of the note even if you do not complete your education, can't get a job after you complete the program, or you didn't like the education that you received. You can do this online at www.studentloans.gov. This promissory note can be signed electronically or hard copy before any loan funds can be disbursed.
 - Make payments on time: you are required to make payments on time if you don't receive a bill, repayment notice, or a reminder. You also must make monthly payments in the full amount required by your repayment plan. Partial payments do not fulfill your obligation to repay your student loan on time.
 - Continue to pay your loans while waiting for deferment or forbearance approval.
 - Keep in touch with your loan servicer: notify your servicer when you graduate; withdraw from school, drop below half-time status, change your name, address, or social security number; or transfer to another school.
2. Entrance Counseling: First-time borrowers must complete an entrance counseling session before your first loan disbursement. This session includes useful tips and tools to help you develop a budget for managing your education expenses and help you to understand your loan responsibilities. Each student will complete the Department of Education's entrance counseling online at www.studentloans.gov.
 - Review deferment
 - Importance of keeping financial aid papers
 - Reinforce the importance of repayment
 - Importance that loan repayment is required even if the student does not finish their education
 - Default and its consequences
 - How to use the MPN or E-MPN
 - Explain interest and capitalization
 - Provide sample monthly repayment amounts and the importance of not over borrowing
 - NSLDS and how to access the system
 - Contact information for questions
 - Notification of change of name or address

Educators College of Cosmetology Consumer Disclosure Information 2018

- Withdrawal from the program and how the withdrawal will affect the student
3. Exit Counseling: Students must complete exit counseling before you leave school to make sure you understand your rights and responsibilities as a borrower. Each student will complete the Department of Education's exit counseling online at www.nslsds.ed.gov and www.studentloans.gov as well as discuss the following during your personal appointment with the FAO:
 - Review information concerning loans from entrance interview
 - Review repayment options including seriousness and importance
 - Review average indebtedness of student borrowers and anticipated monthly repayment amount
 - Provide information on loan consolidation (pros and cons)
 - Discuss how to contact the party servicing the student borrowers direct loans
 - Discuss debt management strategies
 - Provide information on forbearance, deferment and cancellation options
 - Describe the likely consequences of default
 - How to access the NSLDS website and availability of FSA Ombudsman's office
 - Help the borrower understand their rights and responsibilities concerning loan repayment
 - Collect updated personal contact information for the borrower
 4. Repayment of Loans: There is a set time period after a student graduates, leaves the school or drops below half-time status before the student must begin repayment of loan(s). This period of time is called a grace period and gives the student the time to get financially settled and select a repayment plan. The grace period for a Direct Stafford loan is six months. Plus Loans do not have a grace period. Depending on the type of loan a student receives and the repayment plan chosen, the student may have from 10-25 years to repay the loans. Monthly repayment amount will depend on the type of loan, size of debt, length of repayment period and repayment plan chosen. For more information, go online to www.studentaid.ed.gov/repaying.

INSTITUTIONAL REFUND/ RETURN OF TITLE IV FUNDS POLICY

Note: For the purpose of the Title IV refund policy, the student's official withdrawal is the date the student initiated the withdrawal process or notified the school of their intention to withdraw. In the event of an unofficial withdrawal, the school determines the student's last date of attendance that is documented in the school's records and uses that date as the withdrawal date. The U.S. Federal Government determines the amount of Title IV funds a student has earned, as of the withdrawal date. Applies to all terminations for any reason, by either party, including student decision, course or program cancellation or school closure for all students.

Refund Policy - Institutional Refund Policy

- A. An applicant not accepted for training by the college shall be entitled to a refund of all monies paid.
- B. If a student (or Legal guardian) cancels his/her contract and requests his/her money back in writing, within five business days of signing the enrollment agreement or contract until midnight of the fifth business day, all monies collected by the college shall be refunded. The cancellation date will be determined by the postmark on the written notification, or the date said information is delivered to the college administrator/owner in person. This policy applies regardless of whether or not the student had actually started training. The notice must be in writing and given to the registered agent, if any, or managing employee of the college.
- C. If a student cancels after the fifth day following enrollment but notice is given, prior to the completion of the student's first day of class attendance the college may retain no more than the registration fee (\$100.00) plus the cost of any books or materials which have been provided by the college and retained by the student. The cost of books or materials, is the cost charged to the college, by the supplier.
- D. When notice of cancellation is given after the student's completion of the first day of class attendance, but prior to the students completion of 5% of the course of instruction, the college may retain the registration fee (\$100.00) and an amount not to exceed 10% of the tuition and other instructional charges or \$300.00, whichever is less, plus the cost of any books or materials which have been provided by the college.
- E. If a student cancels after completing 5% of the course of instruction the college may retain the registration fee (\$100.00) and the cost of any books or materials which have been provided by the college but shall refund a part of the tuition and other instructional charges in accordance with the following schedule.

Percentage of enrollment time to total time of the course	Amount of total tuition owed to the school
0.01% - 4.9%	10 %
5% - 9.9%	30%
10% - 14.9%	40%
15% - 24.9%	45%
25% - 49.9%	70%
50% or more	100%

Enrollment time is defined as the time elapsed (scheduled) between the actual starting date and the date of the student's last day of physical attendance in college. Any monies due the applicant or student shall be refunded within 45 days of formal cancellation by the student as defined in Item B or formal termination by the college, which shall occur no more than 15 days from the last day of physical attendance, or in the case of a leave of absence the earlier of the documented date of return or the date the student notifies the school that he/she will not be returning. The school shall mail a written acknowledgment of a student's cancellation or written withdrawal to the student within 15 days of the date of notification. Written acknowledgment is not necessary if a refund has been mailed to the student within the 15 calendar days. Refund calculations are based on scheduled hours.

- F. The cost of books, equipment & uniform are not included in tuition adjustment computations. These items are non-refundable and become property of the student when paid in full. All books and equipment are to be kept on the premises until the last day of attendance. The registration fee (\$100.00) is also non-refundable. Monies collected are credited to tuition first.
- G. Students who withdrew prior to course completion or are terminated will be charged a \$150.00 Withdrawal/Termination fee. This refund policy applies to tuition and fees charged in the enrollment agreement. Other miscellaneous charges the student may have incurred at the institution (EG: extra kit materials, books, products, unreturned school property, etc.) will be calculated separately at the time of withdrawal. All fees are identified in the catalog and in the enrollment agreement.

Consumer Disclosure Information 2018

- J. All refunds must be made within 45 calendar days from the date of receipt of the student's cancellation. The unexplained absence of a student from a college for more than 30 days shall constitute constructive notice of cancellation to the college. For purposes of cancellation, the date shall be the last day of attendance. If a student fails to return from an approved leave of absence on the scheduled date of return, that date serves as the termination date.
- K. All student enrollees are subject to the Institutional refund policy. Enrolled students receiving Title IV funding are subject to Return of Title IV Funds Policies and the Institutional Refund Policy. (Ask for Refund/Withdrawal Forms in college office) Refund and/or return calculations will be performed according to the Department of Education's stipulations in the Federal Registers as updated. Our refund calculation procedures are approved by the Department of Education, Title IV funding regulations. Questions on these forms and their calculation can be directed to the Financial Aid Office. (See Financial Aid Office Hours)
- L. Students who change their schedule more than once will be charged \$150.00 each time.
- M. If a student owes the school money, based on the refund calculation, the monies owed are due at the date of cancellation or termination of enrollment. Payment arrangements can be made however, if after 30 days of non-payment, the account, with a signed copy of enrollment agreement, will be submitted to a collection agency. The agency will use good taste and have sound ethical practices.

If a Title IV financial aid recipient withdraws prior to course completion, a calculation for return of TIV funds will be completed and any applicable returns by the school shall be paid, as applicable, The order of returns is: Unsubsidized Federal Stafford Student Loan; Subsidized Federal Stafford Student Loan; Parent Loan for Undergraduate Students (PLUS); Federal Pell Grant; and, Other Federal, State, Private, and Institutional student assistance programs; and last to the student. After all applicable returns to TIV aid have been made, this refund policy will apply to determine the amount earned by the school and owed by the student. If the student has received personal payments of Title IV aid, he/she may be required to refund the aid to the applicable program.

Return of Title IV Funds Policy

The law specifies how your school must determine the amount of Title IV program assistance that you earn if you withdraw from school. The Title IV programs that are covered by this law are: Federal Pell Grants, Academic Competitiveness Grants, National SMART Grants, TEACH Grants, Stafford Loans, PLUS Loans, Federal Supplemental Educational Opportunity Grants (FSEOGs), and Federal Perkins Loans.

Determination Date/Withdrawal Date (Official/Unofficial Withdrawal): The last date of attendance would be the last day the student was physically in attendance at the school. A withdrawal date on a student who had been previously attending could be up to, but not to exceeding, 14 calendar days from that student's actual last date of attendance. An active student officially withdraws when they notify the school's administrative office of their intention to withdraw from school. An active student is considered unofficially withdrawn when they have been absent for 10 consecutive school days (14 calendar days) from their last date of physical attendance without notifying the school's administrative office.

When you withdraw during your payment period the amount of Title IV program assistance that you have earned up to that point is determined by a specific formula. If you received (or your school or parent received on your behalf) less assistance than the amount that you earned, you may be able to receive those additional funds. If you received more assistance than you earned, the excess funds must be returned by the school and/or you.

The institution determines the earned and unearned portions of Title IV aid as of the last date of attendance based on the amount of time the student was scheduled to be in attendance. The percentage of the period completed is determined by dividing the number of hours the student was scheduled to complete in the payment period, as of the last date of attendance, by the total number of clock hours in the payment period.

Up through the 60% point in each payment period, a pro rata schedule is used to determine the amount of Title IV funds the student has earned at the time of withdrawal. After the 60% point in the payment period, a student has earned 100% of the Title IV funds he or she was scheduled to receive during the period. The amount of Title IV aid earned by the student is determined by multiplying the percentage of Title IV aid earned by the total of Title IV aid disbursed or the Title IV aid that could have been disbursed to the student or on the student's behalf. For example:

450 hours in the payment period

- The student was scheduled to complete 225 hours as of the student's last date of attendance
- Percentage of Aid earned equals 50%. This is calculated by dividing the scheduled hours as of the last date of attendance divided by total hours in the payment period. (225/450)
- Amount Title IV Financial Aid Earned equals \$1250. This is calculated by multiplying the total aid disbursed or could be disbursed by the percentage of aid earned \$1250 (2500x50%)

Educators College of Cosmetology Consumer Disclosure Information 2018

If you did not receive all of the funds that you earned, you may be due a Post-withdrawal disbursement. Your school may automatically use all or a portion of your Post-withdrawal disbursement of grant funds for tuition, fees, and room and board charges (as contracted with the school). The school needs your permission to use the Post-withdrawal grant disbursement for all other school charges. If you do not give your permission (some schools ask for this when you enroll), you will be offered the funds. However, it may be in your best interest to allow the school to keep the funds to reduce your debt at the school.

If the post-withdrawal disbursement includes loan funds, the School must get the student's permission before it can disburse the loan. Students may choose to decline some or all of the loan funds so that s/he does not incur additional debt. A notice will be sent out to the student, and the signed, original document must be returned to the School within 14 days. The school has 30 days from the date of the student's last day of attendance was determined to send the student /parent a notice that the post withdrawal loan funds are available.

Any amount of unearned grant funds that you must return is called an overpayment. You must make arrangements with your school or the Department of Education to return the unearned grant funds.

The requirements for Title IV program funds when you withdraw are separate from any Institutional Refund Policy that your school may have. Therefore, you may still owe funds to the school to cover unpaid institutional charges. Your school may also charge you for any Title IV program funds that the school was required to return.

Return of Funds by the School

The school must return the unearned aid for which the school is responsible to pay the Department of Education within 45 days to the following sources, in order, up to the total net amount disbursed from each source.

Title IV Programs

Unsubsidized Federal Stafford Student Loan;
Subsidized Federal Stafford Student Loan;
Parent Loan for Undergraduate Students (PLUS);
Federal Pell Grant

If you have questions about your Title IV program funds, you can call the Federal Student Aid Information Center at 1-800-4-FEDAID (1-800-433-3243). TTY users may call 1-800-730-8913. Information is also available on Student Aid on the Web at www.studentaid.ed.gov.

Satisfactory Academic Progress Policy (SAP)

The satisfactory academic progress policy is consistently applied to all students enrolled in the school, whether receiving Federal Title IV funds, partial funding assistance, or self-paying. Nail technology students are not eligible for Title IV financial aid. Satisfactory Academic Progress in attendance and academic work is a requirement. Students must maintain Satisfactory Academic Progress to continue eligibility for Title IV funding. It is printed in the catalog to ensure that all students receive a copy prior to enrollment. The policy complies with the guidelines established by the National Accrediting Commission of Career Arts and Sciences (NACCAS) and the federal regulations established by the United States Department of Education.

EVALUATION PERIODS

Students are evaluated for Satisfactory Academic Progress as follows:

Cosmetology 450, 900, 1200 clocked (actual) hours

Cosmetology Teacher Training 450, 900 clocked (actual) hours

Nail Technology 175 clocked (actual) hours

*Transfer Students- Midpoint of the contracted hours or the established evaluation periods, whichever comes first.

Evaluations will determine if the student has met the minimum requirements for satisfactory academic progress. The frequency of evaluations ensures that students have ample opportunity to meet both the attendance and academic progress requirements of at least one evaluation by midpoint of the academic year or program, whichever occurs sooner. All periods of enrollment are included in the SAP calculation for Title IV eligibility and otherwise.

ATTENDANCE PROGRESS EVALUATIONS

Students are required to attend a minimum of 75% of the hours possible based on the applicable attendance schedule in order to be considered maintaining satisfactory attendance progress. Evaluations are conducted at the end of each evaluation period to determine if the student has met the minimum requirements. The attendance percentage is determined by dividing the total hours accrued by the total number of hours scheduled. At the end of each evaluation period, the school will determine if the student has maintained at least 75% cumulative attendance since the beginning of the course which indicates that, given the same attendance rate, the student will graduate within the maximum time frame allowed.

Educators College of Cosmetology Consumer Disclosure Information 2018

MAXIMUM TIME FRAME

The maximum time (which does not exceed 133% of the course length) allowed for students to complete each course at satisfactory academic progress is stated below:

COURSE	MAXIMUM TIME ALLOWED WEEKS/SCHEDULED HOURS	
Cosmetology (Full time day, 30 hrs/wk) – 1500 hours	66.66 weeks	2000
Cosmetology (Full time evening, 25 hrs/wk) – 1500 hours	80 weeks	2000
Cosmetology Teacher Training (Full time day, 30 hrs/wk) – 1000 hours	44.46 weeks	1334
Cosmetology Teacher Training (Full time evening, 25 hrs/wk) – 1000 hours	53.36 weeks	1334
Nail Technology (Full time day / evening, 25 hrs/wk) – 350 hours	23.35 weeks	467

The maximum time allowed for transfer students who need less than the full course requirements or part-time students will be determined based on 75% of the scheduled contracted hours. Students who have not completed the course within the maximum timeframe may continue as a student at the institution on a cash pay basis.

All courses offered by the institution are clock hour programs and all students attend on a continuous basis. Therefore, we do not offer term or credit hour based programs. Enrollment is based on one period of continuous enrollment which counts towards satisfactory academic progress and maximum time-frame, including any time in that period where a student would not receive Title IV, HEA program funds. The period of enrollment includes, fall, winter, spring, and summer, as applicable to the student's enrollment agreement.

ACADEMIC PROGRESS EVALUATIONS

The qualitative element used to determine academic progress is a reasonable system of grades as determined by assigned academic learning. Students are assigned academic learning and a minimum number of practical experiences. Academic learning is evaluated after each unit of study. Practical assignments are evaluated as completed and counted toward course completion only when rated as satisfactory or better (the computer system will reflect completion of the practical assignment as a 100% rating). If the performance does not meet satisfactory requirements, it is not counted and the performance must be repeated. At least two comprehensive practical skills evaluations will be conducted during the course of study. Practical skills are evaluated according to text procedures and set forth in practical skills evaluation criteria adopted by the school. Students must maintain a written grade average of 80% and pass a FINAL written and practical exam prior to graduation. Students must make up failed or missed tests and incomplete assignments.

Numerical grades are considered according to the following scale:

90 – 100	A
80 – 89	B
Below 80	F

DETERMINATION OF PROGRESS STATUS

Students meeting the minimum requirements for academics and attendance at the evaluation point are considered to be making satisfactory academic progress until the next scheduled evaluation. Students will receive a hard-copy of their Satisfactory Academic Progress Determination at the time of each of the evaluations. Students deemed not maintaining Satisfactory Academic Progress may have their Title IV, HEA Program funds interrupted, unless the student is on warning.

WARNING

Students who fail to meet minimum requirements for attendance or academic progress are placed on warning and considered to be making satisfactory academic progress while during the warning period. The student will be advised in writing on the actions required to attain satisfactory academic progress by the next evaluation. If at the end of the warning period, the student has still not met both the attendance and academic requirements, he/she will be deemed ineligible to receive Title IV, HEA Program funds and become a cash pay student in order to cover the loss of Title IV HEA funding, if applicable.

RE-ESTABLISHMENT OF SATISFACTORY ACADEMIC PROGRESS

Students may re-establish satisfactory academic progress and Title IV aid, as applicable, by meeting minimum attendance and academic requirements by the end of the warning period at the next scheduled evaluation. Students may begin attending makeup hours as they are needed.

INTERRUPTIONS, COURSE INCOMPLETES, WITHDRAWALS

If enrollment is temporarily interrupted for a Leave of Absence, the student will return to school in the same progress status as prior to the leave of absence. Hours elapsed during a leave of absence will extend the student's contract period and maximum time frame by the same number of days taken in the leave of absence and will not be included in the student's cumulative attendance percentage calculation. Students who withdraw prior to completion of the course

Educators College of Cosmetology

Consumer Disclosure Information 2018

and wish to re-enroll will return in the same satisfactory academic progress status as at the time of withdrawal. If a student is considering pursuit of a second program, they must graduate or withdraw from the current program. If a student decides to switch a program, the current SAP will start over with the new program. The old program SAP will no longer apply.

NONCREDIT, REMEDIAL COURSES, REPETITIONS

Noncredit, remedial courses, and repetitions do not apply to this institution. Therefore, these items have no effect upon the school's satisfactory academic progress standards.

TRANSFER HOURS

With regard to Satisfactory Academic Progress, a student's transfer hours will be counted as both attempted and earned hours for the purpose of determining when the allowable maximum time frame has been exhausted. SAP evaluations periods are based on actual contracted hours at the institution. Please see the College's admissions/transfer policy for additional information and requirements.

NOTE: Withdrawal passing/withdrawal failing and appeals are not applicable to this institution.

- **End of SAP Policy** -

Leave of Absence (LOA) Policy

A student who must take an approved Leave of Absence (LOA) or must withdraw from training will return to school in the same satisfactory academic progress status as prior to the leave of absence. The maximum time frame for a LOA is 180 calendar days and the minimum is 1 week or 7 calendar days.

A student may be granted a LOA for any of the following reasons and where there is a reasonable expectation that the student will return from the LOA:

1. Financial Hardship
2. Medical Issues
3. Personal or Family Related Matters.

The LOA must be requested and approved in writing prior to LOA occurring. In addition, the student is required to list the reason for the LOA and their signature on the LOA form. Emergency LOA, without prior written request, may be granted provided the student completes the LOA form and returns it to the College via mail or in person within reasonable resolution of the emergency. In an emergency instance, the beginning date of the LOA will be determined to be the first date that the student was absent due to the emergency.

A student who is granted a LOA that meets the above-mentioned criteria is not considered to have withdrawn from the College and a refund calculation is not required.

If the student does not return from the LOA by the expiration of the approved leave of absence, the student will be dropped from the program. The College is required to take attendance and therefore the withdrawal date for the purpose of calculating a refund will be the student's last date of attendance. Additionally, the student's loans will go into repayment after 180 days from the last date of attendance.

On the day the student returns from a LOA the student is required to addend their enrollment agreement. The student's contract end date and maximum time frame will be extended for the same number of days the student was on LOA without any additional institutional charges or penalty to the student.

During an LOA a student is eligible for student discounts on services and retail items, but not for perfect attendance.

Grievance Policy

In accordance with the institution's mission statement, the school will make every attempt to resolve any student complaint that is not frivolous or without merit. Complaint procedures will be included in new student orientation thereby assuring that all students know the steps to follow should they desire to register a complaint at any time. Evidence of final resolution of all complaints will be retained in school files in order to determine the frequency, nature, and patterns of complaints for the institution. The following procedure outlines the specific steps of the complaint process.

1. The student should register the complaint in writing on the designated form provided by the institution within 60 days of the date that the act which is the subject of the grievance occurred.
2. The complaint form will be given to the school Director.
3. The complaint will be reviewed by management and a response will be sent in writing to the student within 30

Educators College of Cosmetology Consumer Disclosure Information 2018

- days of receiving the complaint. The initial response may not provide for final resolution of the problem but will notify the student of continued investigation and/or actions being taken regarding the complaint.
4. If the complaint is of such nature that it cannot be resolved by the management, it will be referred to an appropriate agency if applicable.
 5. Depending on the extent and nature of the complaint, interviews with appropriate staff and other students may be necessary to reach a final resolution of the complaint.
 6. In cases of extreme conflict, it may be necessary to conduct an informal hearing regarding the complaint. If necessary, management will appoint a hearing committee consisting of one member selected by the school who has had no involvement in the dispute and who may also be a corporate officer, another member who may not be related to the student filing the complaint or another student in the school, and another member who may not be employed by the school or related to the school owners. The hearing will occur within 90 days of committee appointment. The hearing will be informal with the student presenting his/her case followed by the school's response. The hearing committee will be allowed to ask questions of all involved parties. Within 15 days of the hearing, the committee will prepare a report summarizing each witness' testimony and a recommended resolution for the dispute. School management shall consider the report and either accept, reject, or modify the recommendations of the committee. Corporate management shall consider the report and either accept, reject, or modify the recommendations of the committee.
 7. Students must exhaust the institution's internal complaint process before submitting the complaint to the school's accrediting agency, if applicable.
